PROVINCIAL MTB CHIEF COMMISSAIRE

- Sit as a member of the Development Committee.
- Keep an up to date list of Provincial Commissaires.
- Keep updated with rule changes as they are announced by the CCA.
- Run training courses (CCA states this must be run by a course conductor) for provincial commissaires.
- Upgrade Commissaires
- Early in season schedule Commissaires to work the races; this should include a Collage of three (Chief, Finish line, and Race Secretary).
- Maintain a database of Schedules of Events for all of the provincial races.
- At the beginning of the race season obtain the number plate series for each category from SCA staff.
- Maintain Commissaire's bag (signage, tape, finish line sheets, lap counting sheets, Commissaire's expense sheets, clipboards, hammer spikes, screws for signage).
- Ensure Commissaire's bag is available for each race, as there is only one set of equipment it needs to be made available throughout the province.

- The Chief Commissaire of each race should contact the race organizer approx. 2 weeks in advance to make sure the race has been sanctioned, volunteers are in place, and first-aid has been arranged.
- Prior to the race with the race organizer, make sure a course map is available, have someone ride and time a hot lap, set the number of laps, and update the Schedule of events.

CHIEF ROAD COMMISSAIRE

- Responsible for ensuring that sanctioned road (and cyclocross) events are conducted according to the CCA rules and the SCA policies. In other words, to ensure that road races are fun in a fair and unbiased manner and to oversee the sporting aspects of road racing.
- Responsible for assigning and/or co-coordinating the assignment of commissaires to officiate at provincially sanctioned road events.
- Will identify and assist in the organization of commissaire opportunities, which may include training programs, course materials, upgrading criteria, etc.
- Provide beginner commissaire courses as required by the SCA and educate commissaires and expedite the dispersal of information of rule and procedure changes.
- Be an active member of the Development.

TECHNICAL COMMITTEE ELECTED MEMBER

These members must be active licensed riders and are responsible for being the racer's voice at the committee level on all issues.
