Mechanical/Feed zone:

- We will be setting this zone up as it occurs to us (usually about 10 minutes before the start of the race). Feeding (handing bottles to riders during the race) is allowed **ONLY** if the Chief of Commissaries so declares. The bike/wheel pit will be at the halfway point of the course so that we can have double entry.

The Course:

- As always the course will contain a combination of twisty technical and off camber sections to test your skill, long/fast sections to test your fitness, and of course a few runs ups and barriers because it's cross! Oh and be prepared to climb Mount Douglas. The music will be pumping for all races!!

Courtesy Notes for Race Venue:

- Please respect the park by not urinating in public (the washrooms/change rooms are conveniently located by the start finish area).
- Water is available in the washroom facilities
- Garbage containers are conveniently placed around the park.
- Please respect the commissaries, volunteers and your fellow racers at all times. This is all for fun!

- New cross racers will compete in the cyclocross category corresponding to their respective road or mountain bike category (whichever is higher).
- Random prizes to be awarded. All competitors are eligible for draw prizes.
- Cyclocross bikes & mountain bikes are permitted in all categories.
