2022 Saskatchewan Cycling Association Event Application

November 19, 2021

This is an important notice to all organizers interested in hosting a 2022 cycling event in Saskatchewan. Any individual member, or affiliated club, interested in organizing one or more events during 2022 must submit an Expression of Interest for each event. A preliminary calendar will be set and posted reflecting the first round of such forms following the Race Organizers' Conference. All other organizers wishing to gain a place on the 2022 calendar will be given the choice of any open weekends after the preliminary calendar is set.

Please fill out the following page, save and rename it to your race event, and email it to sarah@saskcycling.ca

Organizers must then submit an Event Sanction Application complete with Emergency Action plan no later than six weeks prior to the posted event date. All organizers are encouraged to read the Saskatchewan Cycling Association Race Organizer's Guide prior to any event preparations.

Organizers or clubs with paperwork or fees owing for either their club or previous editions of an event will not be considered for inclusion on the preliminary calendar.

Finally, organizers wishing to host an event not previously sanctioned by the SCA are requested to include with their Expression of Interest a one-page overview of the event, including proposed venue.

If you have any further questions, please do not hesitate to email sarah@saskcycling.ca
