
Expression of Interest Application – FRM-009

‘Date’

This is an important notice to all Event Organizers interested in hosting a 20xx cycling event in Saskatchewan.

Any individual SCA member or SCA affiliated club, interested in organizing one or more cycling events during the 20xx season must submit an *‘Expression of Interest’* application for each event or series of events. A preliminary calendar will be set and posted reflecting the first round of such forms following the Technical Committee Meeting. All other organizers wishing to gain a place on the 20xx calendar will be given the choice of any open weekends once the initial calendar is set.

Please fill out the following pages, save and rename it to your event’s name, and email it to info@saskcycling.ca by December 31.

Organizers of approved cycling events must then submit an *‘Event Sanction Application’*, complete with Emergency Action plan and Technical Guide no later than six weeks prior to the posted event date. All Organizers are encouraged to read the Saskatchewan Cycling Association Race Organizer’s Guide prior to any event preparations.

*Note: ALL cycling events must be sanctioned to recognize the validity of the organizer and the event, and gain protection under SCA insurance.

Organizers or Clubs with paperwork or fees owing for either their Club or previous editions of an event, will NOT be considered for inclusion on the preliminary calendar.

Finally, organizers wishing to host an event not previously sanctioned by the SCA, are requested to include with their *‘Expression of Interest’*, a one-page overview of the event, including proposed venue.

If you have any further questions, please do not hesitate to email info@saskcycling.ca

Completing the *‘Expression of Interest Application’* is simply an expression of interest to host a cycling event. It does not guarantee that the proposed event will be approved / sanctioned, or that you have received your preferred date. All submissions are received and reviewed by the SCA Technical Committee prior to decisions being made. Additional information may be requested to make an informed decision on event sanctioning. You will be notified when your request has been approved.

Thank you for your interest in hosting a cycling event.
